## Girls Learning About Money

**GLAM** (Girls Learning About Money) originated in September 2006.

A group of highly intelligent, professional and diverse women gathered together to map out their desires for investment education. From this meeting GLAM came into existence.

### **Our mission**

“We come together to provide investment education for women to create financial freedom.”

### **The women of GLAM**

We come from diverse backgrounds and represent various ages and nationalities. The one thing that we all share in common is curiosity and the desire to learn more about each other and our goals for investment education and financial freedom. Fun will be an essential ingredient which will define who we are as a group.

### **Our committee**

As a self-running group we rely not only on the women of GLAM but also need the support of a few key individuals to provide a framework from which our mission can be realised.

Our committee is as follows:

<b>President:</b>	<i>Corinna Reeves</i>
<b>Communications Manager:</b>	<i>Tina McElligott</i>
<b>Treasurer:</b>	<i>JoAnne Wall</i>
<b>Event Coordinator:</b>	<i>Kylie Crofts</i>
<b>Key Note Speaker Scout &amp; PR Coordinators:</b>	<i>Deborah Kenworthy-Dell and Alysia Hamilton</i>

### **Calendar of Events**

We plan to have one event a month, excluding December and January. Preferably the events will be scheduled on the **first Thursday of each month**, although concessions will be made on speaker availability. Topics to be covered include:

- Thursday 1 March: Rebecca Sullivan – Shares vs Property
- Tuesday (note day) 3 April: David Enright – Bigger picture of investing
- Thursday 3 May: Jo and Alysia – Demystifying mortgages (Jo) and how can your real estate agent help you? (Alysia)
- Thursday 7 June: Panel – Successful business owners incl multi-level marketing and tax pitfalls of owning own business

Please note topics and speakers may change due to availability.

*Core group specialities:* many of our GLAM members have expertise in one of more investment education areas.

**We extend a welcome invitation to those members that would be interested in sharing their knowledge through a seminar.**
